DETAILED ACTION

Priority

Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 5/18/04 has been considered by the examiner.

Additional Prior Art Cited

Takakubo discloses an optical scanning system having an imaging optical system which comprises first plastic lens (31) and a second plastic lens (32) having an anamorphic aspherical surface (Figs. 13-15). Takakubo does not disclose the shifting/decentering amount of each lens surface of the imaging optical system (see Table 6).

Allowable Subject Matter

Claims 1-8 are allowed.

The following is an examiner's statement of reasons for allowance: none of the cited references teaches or fairly suggests an optical scanning system having the particular imaging optical system which includes a first and a second plastic lenses as specified in claim 1. Claims 2-8 are dependent claims and thus allowable at least for the same reason.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
